Last year, there were more than 350 meetups for Global reddit Meetup Day. The 4th annual Global reddit Meetup Day will take place on Saturday, June 15th, 2013. [Check out the list of local subreddits to find your local community](#) or [search for meetups listed on redditgifts](#) to take part in the festivities.

Photographers: bring your cameras! Let's make the world feel small and give a face to your local reddit community. Submit your meetup photos to [/r/about](#) and we'll add them to our growing gallery of [reddit meetup photos from around the world](#).

To encourage your local pride, we took a look at the geographic breakdown of reddit visits. We found that there are more than a thousand local subreddits and active local communities in almost every major city from [Auckland](#) to [Missoula](#) to [Zurich](#). Here are some fun geo stats we pulled.
